DAYS BEFORE REINCARNATION

ISSUE ONE — PAGE 2

MBIW!

SAME CITY.
SAME PEOPLE.

DIFFERENT
BATTLES.

He's got us!
He's got us!

Easy.
Nobody move
until it touches
the ground.

Thank God
you came.

Everybody
okay?

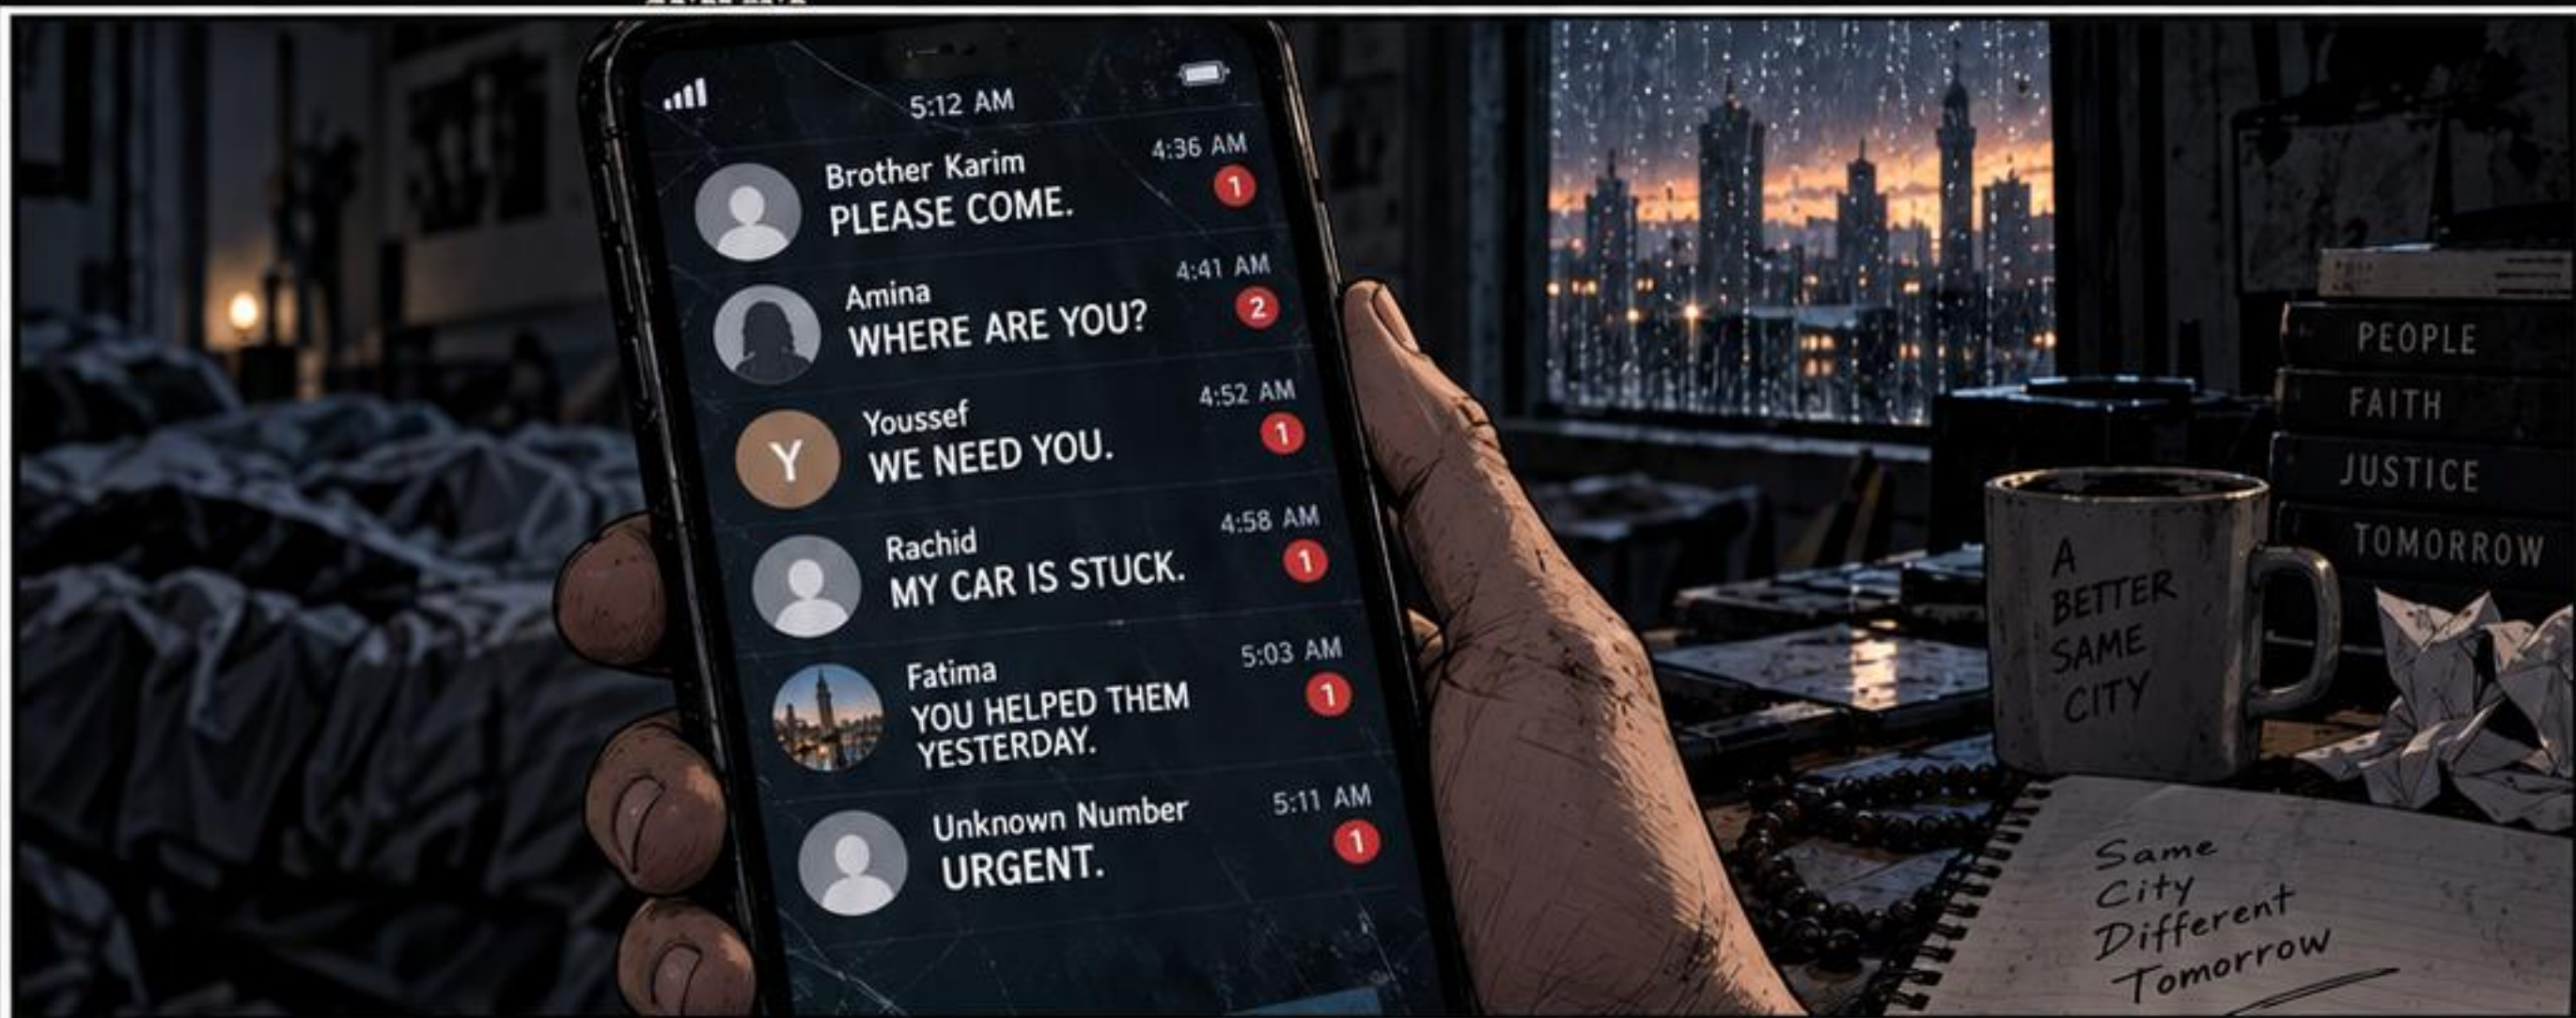

There's another
fire near the harbor!

ميناء الدار البيضاء
PORT AL-NOOR

...Okay.

He always said yes.

SAME CITY.
SAME PEOPLE.
A DIFFERENT
NIGHTMARE.

Everybody
get away from
the buildings!

There are
people underneath!

I know!

...No.

Then the city asked
the impossible.

People first.
Always people first.

Get them to safety!

Screams...
more people...

Help!
Somebody help us!

Please!
We're trapped!

Move!
MOVE!

Hold...

Keep them safe...
just a little longer...

I can do this...
I have to...

But behind him...

...another building
falls out of reach.

...No.

Even gods run out of hands.

SILENCE
DOESN'T MEAN
IT'S OVER.

...I'm sorry.

Sorry?

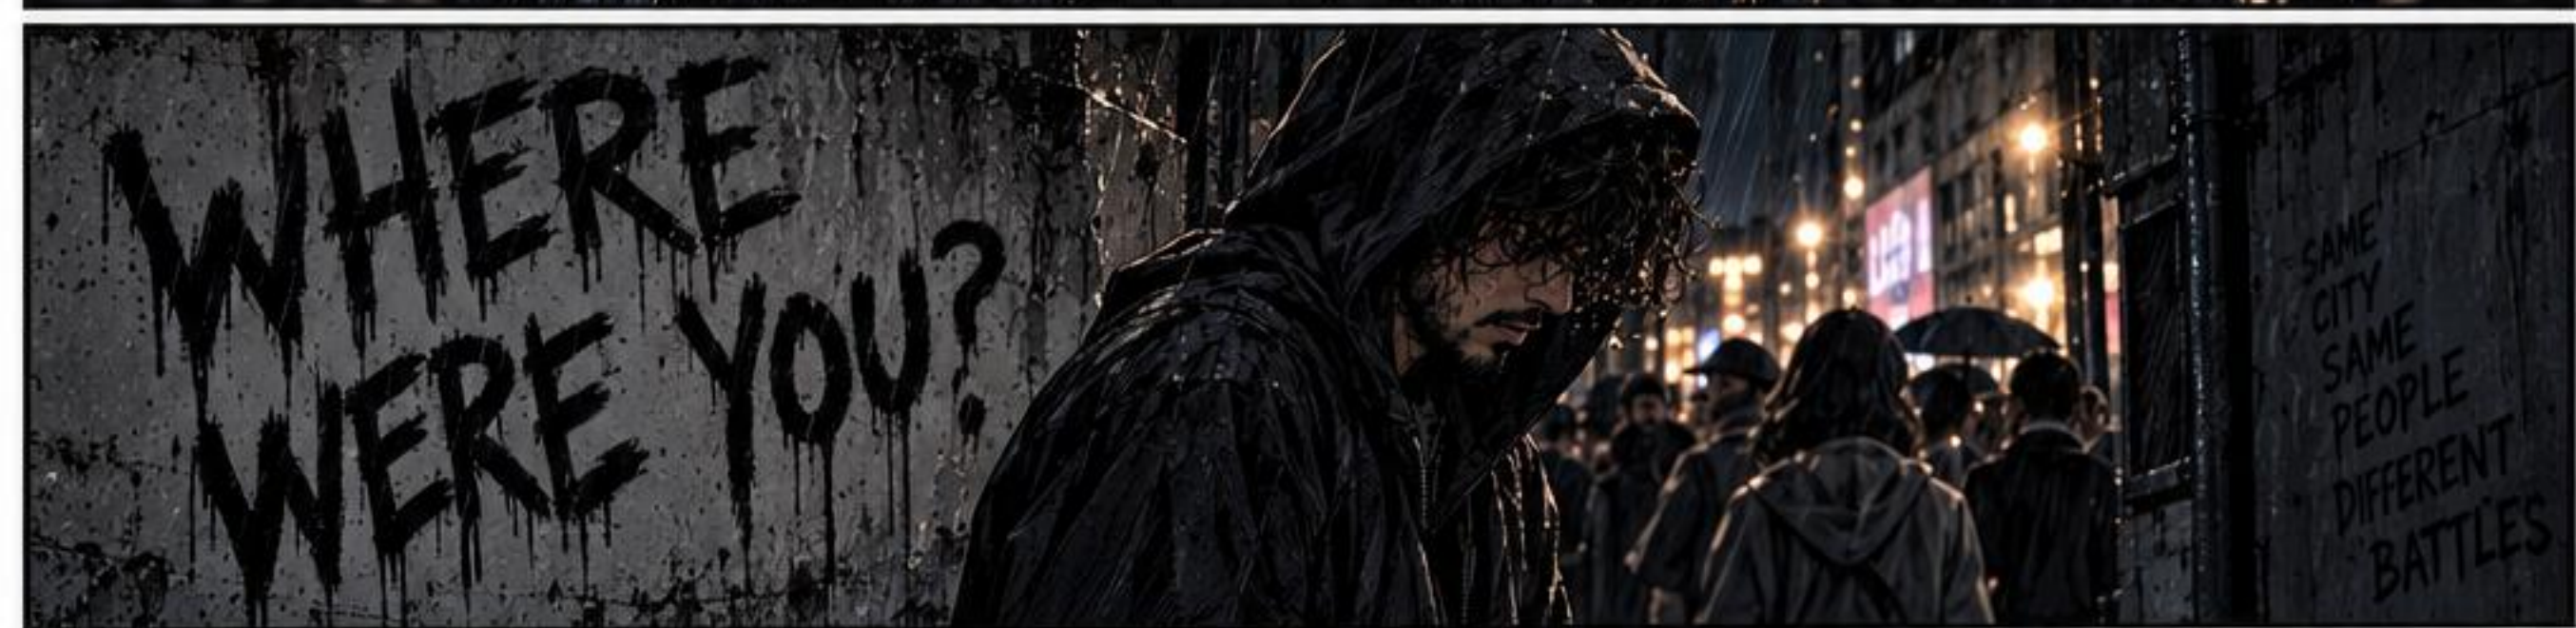

Where were
you?

I was—

My sister
was in there.

He saved thousands.
They saw the ones he couldn't.

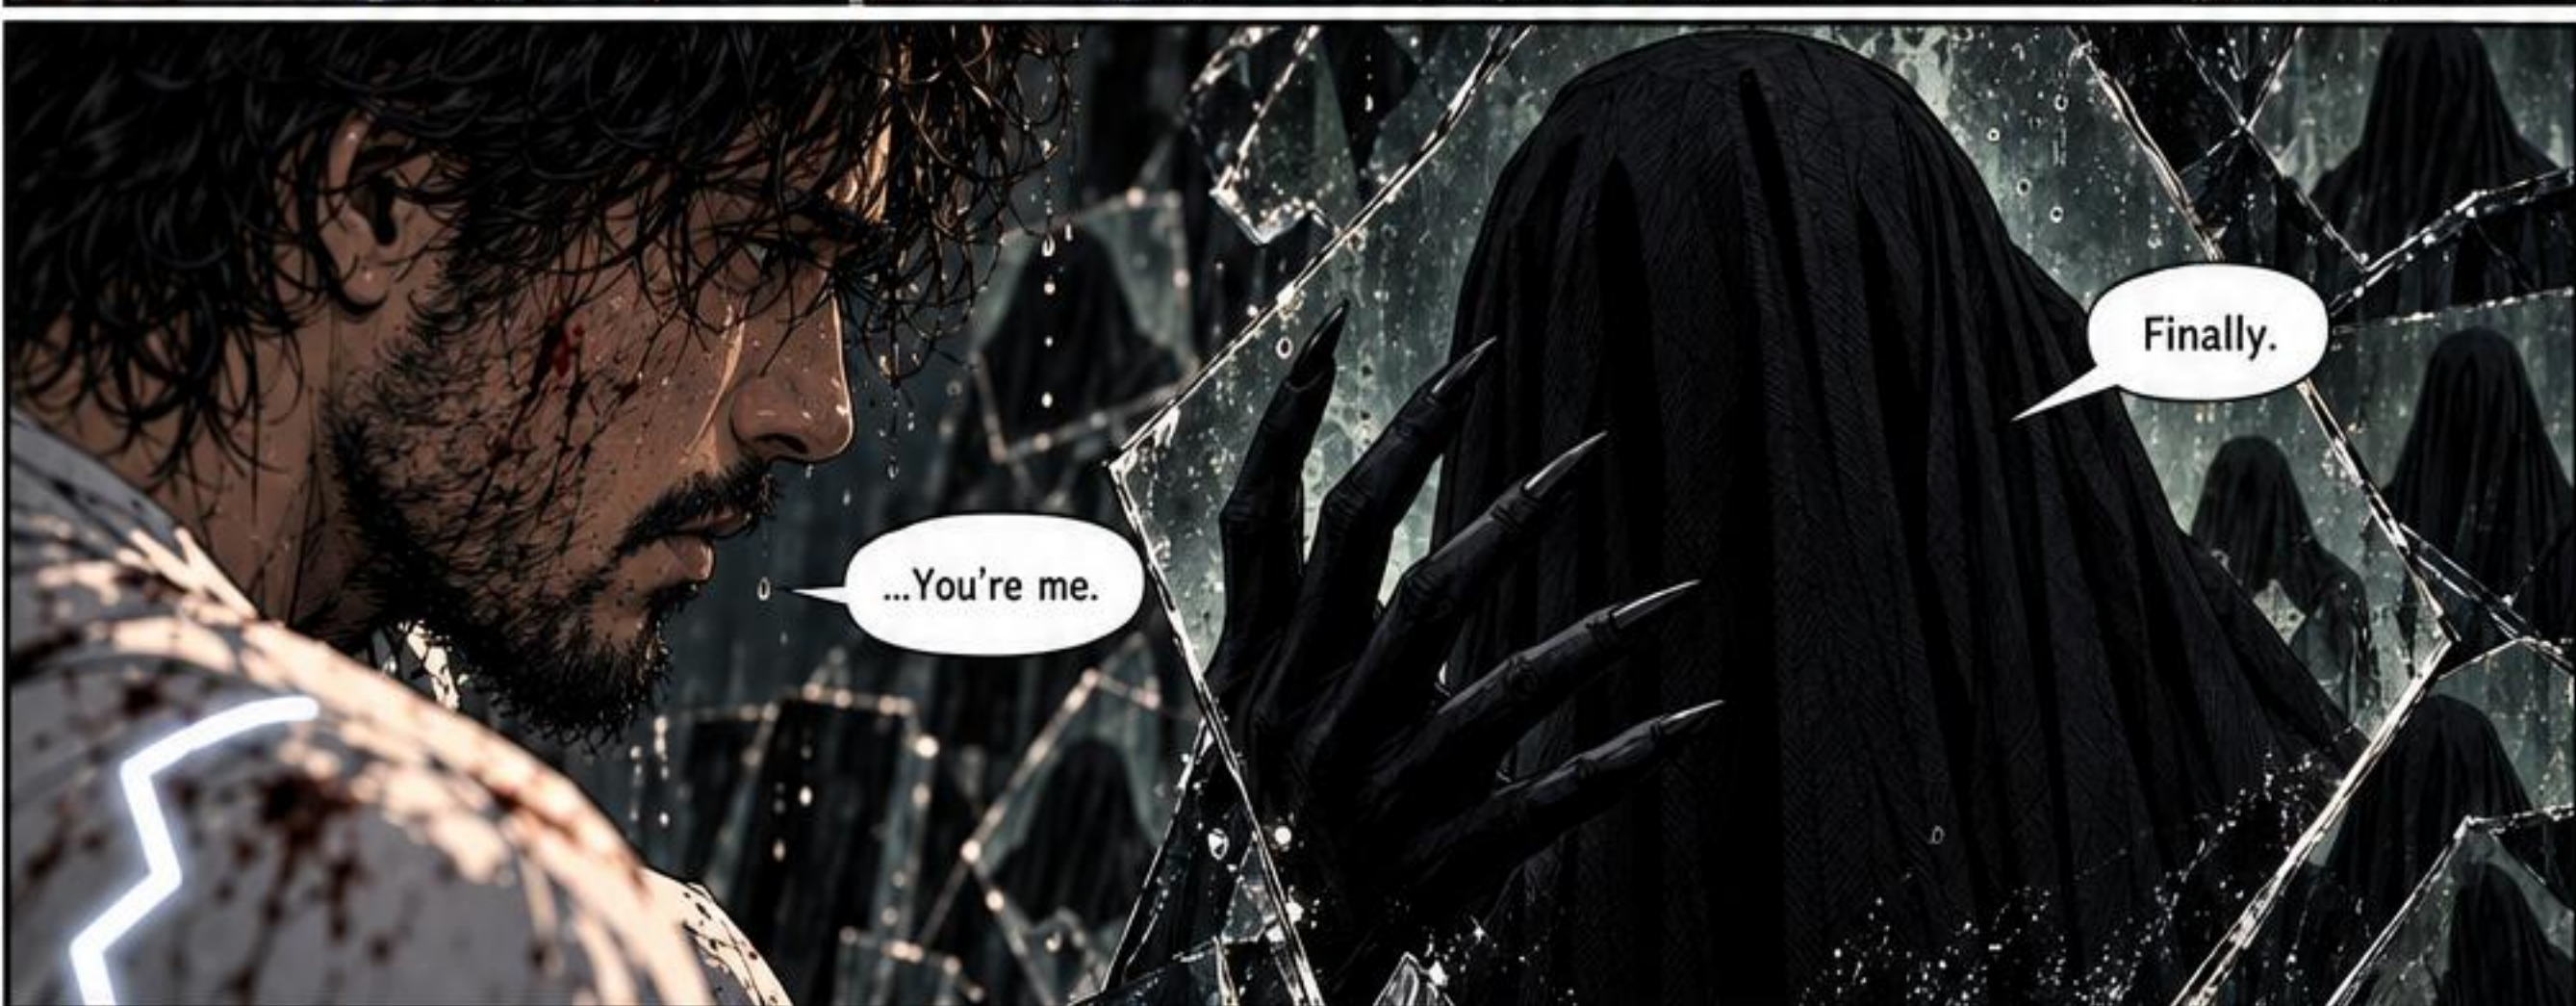

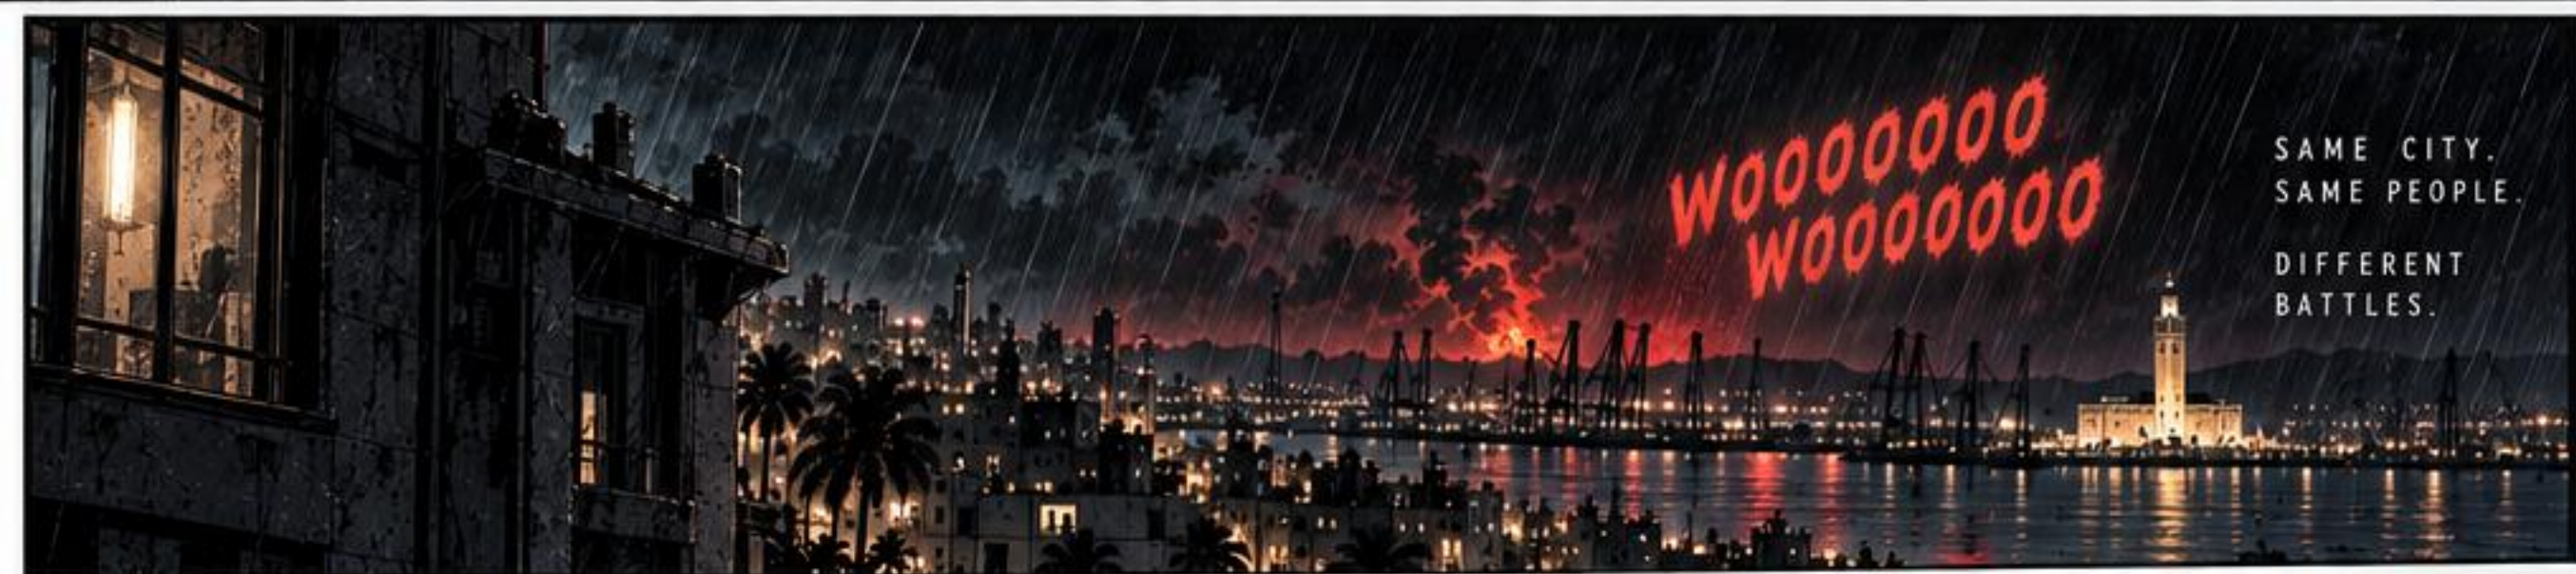

SAME CITY.
SAME PEOPLE.
DIFFERENT
BATTLES.

Don't answer.

Someone
could die.

VRRR
VRRR
VRRR

I can't
ignore them.

Someone
always could.

You?

Then let me go.

You rest.

And you
do what?

What you keep
begging yourself
to do.

For the first time,
surrender sounded like mercy.

Something came back.

Please—
don't.

He wore mercy like a memory.

The city knew his face.
It didn't know this version
of it.

Are you
replacing MBIW?

No.

Then where
is he?

He gave you
everything he had.

Don't.

HEROES
ARE HUMAN
TOO

You asked for more.

A
KINDER
TOMORROW
STILL
POSSIBLE

BUT
AT WHAT
COST?

MBIW:
You're scaring them.

İMAM:
Good.

SAME

IS STILL
POSSIBLE

MBIW:
That isn't what we were.

İMAM:
Look where that got us.

MBIW:
They're still people.

İMAM:
I know.

MBIW:
Then don't punish all of them
because some of them hurt us.

MBIW:
What do you want?

İMAM:
Order.

LESS
CRUELTY
MORE
HUMANITY

PEOPLE
STILL
MATTER

MBIW:
Just don't forget what
kindness meant.

İMAM:
I remember.

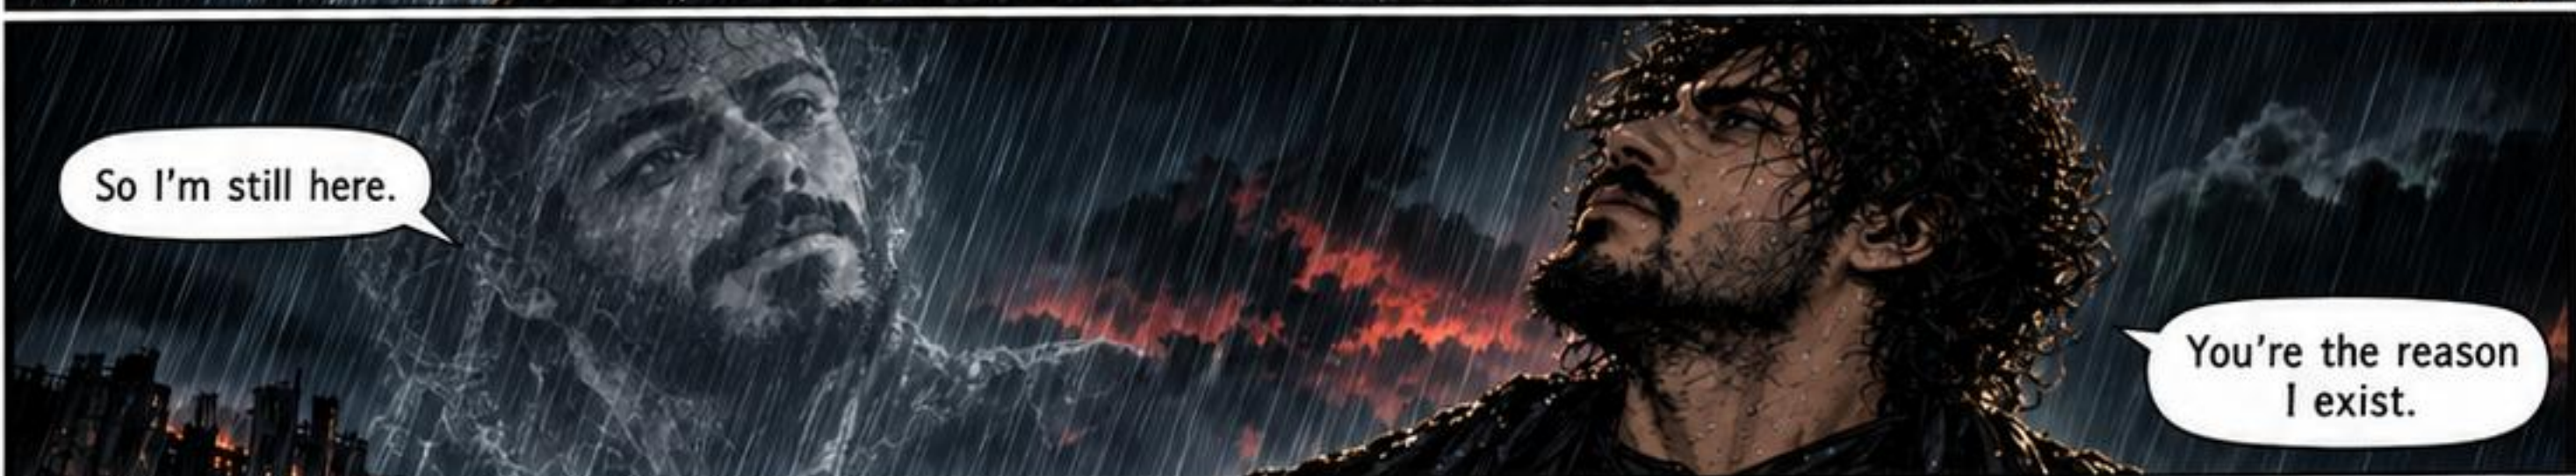

MBIW:
Then use it.

İMAM:
When it deserves to be used.

You can still hear me.

Every word.

So I'm still here.

You're the reason I exist.
